

Kentucky S. E. C. C.

# 2010 - EAS SCHEDULE

## Emergency Alert System

### Required Monthly Test Schedule for all Kentucky Stations

- Originators should run test within 5-minutes before or after the scheduled time.
- All stations are required to retransmit the test within 1-hour after the test is received.
- LP stations are requested to relay within 10 minutes.
- Please post this at the station control point, to ensure that operators will be prepared.

MONTH	ORIGINATOR	DAY	DATE	TIME (Eastern)
January	WHAS/WAMZ	Wednesday	Jan. 20	10:37 a.m.
February	EOC	Wednesday	Feb. 10	12:07 a.m.
<i>*March</i>	<i>N WS</i>	<i>Tuesday</i>	<i>Mar 2</i>	<i>10:07 am</i>
<i>*This Tornado Drill will be conducted by the National Weather Service, under the TOR header, and therefore does not qualify as a Required Monthly Test for March. In the case of threatening weather on the 2<sup>nd</sup>, the test will be run on the 3<sup>rd</sup>.</i>				
<i>Note- For most stations, this will automatically relay immediately upon receipt.</i>
